About the Summary of Benefits and Who Can Join

This is a summary of ATRIO Health Plans health and drug services covered by ATRIO Support Rx (PPO C-SNP). The benefit information provided does not list every service that we cover or list every limitation or exclusion. For a complete list of services we cover, please view the Evidence of Coverage at atriohp.com. To join an ATRIO Health Plans Medicare Advantage Plan, you must be entitled to Medicare Part A, be enrolled in Medicare Part B, and live in our service area. Our service area for these plans includes Marion and Polk Counties in Oregon.

Which Doctors, Hospitals and Pharmacies Can I Use?

ATRIO Health Plans has a network of doctors, hospitals, pharmacies, and other providers. If you use the providers in our network, you may pay less for your covered services. If you use providers that are not in our network, you may pay a higher out-of-pocket cost. You must generally use network pharmacies to fill your prescription drugs. You can see our plan's Formulary (Part D prescription drug list), Provider Directory and Pharmacy Directory at our website, atriohp.com.

Tips for Comparing Your Medicare Choices

If you want to know more about the coverage and costs of Original Medicare, look in your current "Medicare & You" handbook. View it online at medicare.gov or get a copy by calling 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

Pre-enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a Member Services representative at 1-877-672-8620 (TTY 711), daily from 8 a.m. to 8 p.m. local time.

Understanding the Benefits

- The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit atriohp.com or call 1-877-672-8620 (TTY 711) to view a copy of the EOC.
- Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- If you choose a plan that includes drug coverage, review the pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- If you choose a plan that includes drug coverage, review the formulary to make sure your drugs are covered.

Understanding Important Rules

- In addition to your monthly plan premium (if applicable), you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- Benefits, premiums and/or copayments/co-insurance may change on January 1, 2026.
- Our plan allows you to see providers outside of our network (non-contracted providers). However, while we will pay for covered services, the provider must agree to treat you. Except in an emergency or urgent situation, non-contracted providers may deny care. In addition, you will pay a higher copay for services received by non-contracted providers.

Medicare Part D Prescription Drug Benefits

Deductible Stage

ATRIO Support Rx (PPO C-SNP) H7006-022
\$0 per year

Initial Coverage Stage

You pay the following until your total yearly drug costs reach \$2,000.

If you reside in a long-term facility, you pay the same as at a standard retail pharmacy. If you choose mail-order, you pay the same as a retail 90-day supply at an **In-network** pharmacy. You may get drugs from an **Out-of-network** pharmacy but may pay more than you pay at an In-network pharmacy.

ATRIO Support Rx (PPO C-SNP) H7006-022		
Standard Retail Cost Sharing		
Tier	30-day supply	90-day supply
Tier 1 (Preferred generic)	\$0 copay	\$0 copay
Tier 2 (Generic)	\$8 copay	\$16 copay
Tier 3 (Preferred brand)	\$47 copay	\$94 copay
Tier 4 (Non-preferred)	\$100 copay	\$200 copay
Tier 5 (Specialty)	33% of the total cost	Not available
Tier 6 (Select care)	\$0	\$0

After you have paid \$2,000, you move to the Catastrophic Coverage Stage. You pay nothing through the end of the year. This amount and rules for counting costs toward this amount have been set by Medicare.

- Save one month's copay by switching to a 90-day supply at a network retail or mail-order pharmacy. Ask your doctor about a 100-day supply and save even more (restrictions apply).
- If you reside in a long-term facility, you pay the same as at a retail pharmacy. If you choose mail-order, you pay the same as a retail 90-day supply at an in-network pharmacy. You may get drugs from an out-of-network pharmacy but may pay more than you pay at an in-network pharmacy.
- What you pay for vaccines – our plan covers most Part D vaccines at no cost to you, even if you haven't met your deductible. Please call ATRIO Member Services for more information.
- What you pay for insulin – our plan covers select insulin products, for which you will pay no more than \$35 for a one-month supply no matter what tier it is on, and even if you haven't met your deductible.

ATRIO Health Plans is a PPO, HMO, PPO C-SNP and HMO D-SNP with Medicare and Oregon Health Plan contracts. Enrollment in ATRIO Health Plans depends on contract renewal. Out-of-network/non-contracted providers are under no obligation to treat ATRIO Health Plans members, except in emergency situations. For a decision about whether we will cover an out-of-network service, we encourage you or your provider to ask us for a pre-service organization determination before you receive the service. Please call our Member Services number at 1-877-672-8620 (TTY 711), daily from 8 a.m. to 8 p.m. local time or see your Evidence of Coverage for more information, including the cost sharing that applies to out-of-network services.
